

Inspiring, Empowering & Advancing our Global ELT Community

Equity and Inclusion is the central theme of this year's Symposium hosted by TESOL's Professional Learning Networks (PLNs) BELPaF & Global Education! The intersection of our diversity deserves to be explored and the symposium aims to inspire, empower, and advance educators around the world who serve the ELT community. In line with our goals of focusing on issues that affect and support the needs of ELLs and their teachers, we continue to question how we become more efficient and effective in striving for success.
